Kathleen M. Wilbur, Director

Bureau of Health Systems

MEMORANDUM

DATE: March 17, 2000

TO: Life Support Agency Managers/Owners
Medical Control Authority Staff

FROM: John F. Hubinger
Emergency Medical Services

SUBJECT: Department Reorganization; Changes in Functions

As you have probably been made aware, several weeks ago our department carried out a reorganization which resulted in the consolidation of activities with similar functions. As part of the transition, a number of activities historically handled by our office, have been transferred to the Bureau of Health Services. This bureau is responsible for the licensure of all health care professions within the state (e.g. nurses, physicians etc.). In addition to functional changes, Mr. Steve Boyer, Ms. Lila Snyder and Ms. Penny Crawford were reassigned to this same bureau.

For future reference, the following phone number is to be used when inquiring about licensure/relicensure of EMS personnel, testing, and matters relating to EMS education programs/ongoing education: **517.335.0918**

The following inquiries are to be directed to our office:
